

President Says Soviet Missile Statement Was Most Evasive

WASHINGTON (AP) — President Eisenhower, commenting on Russia's intercontinental missile claims, said today mere testing of such weapons is a long way from production.

Eisenhower made the statement at a news conference when asked whether he could give the American people any information on the status of this country's efforts to develop an intercontinental ballistic missile—ICBM.

The questioner asked for comment in the light of the Soviet Union's announcement last week that it had successfully tested such a weapon.

Red Announcement Evasive

Eisenhower replied that anything he said had to be within the framework of national security. He went on to say that careful reading of the Russian announcement marked it more for what it did not say than what it actually did say.

The President called the Soviet announcement most evasive. The Russians always have been known for statements which serve only their own purposes, he said.

Eisenhower said that in the past the Russians have been something less than completely reliable, and added that on this occasion he saw no reason for placing more credence than usual in the Soviet announcement.

Has Highest Priority

As for this country's progress in that field, the President actually said nothing about the status of work. He did say many millions of dollars have been spent within the capacity of available scientific knowledge and what he called the whole arrangement.

The missile program has the highest priority, he said, but added that it will be a long time before a long-range missile is the best means of delivering explosive power.

Eisenhower, leaving tomorrow for an extended vacation at Newport, R. I., dealt with these other matters:

INTEGRATION — Eisenhower said he has conferred with the Justice Department regarding the halting of integration at Central High School in Little Rock, Ark., and that the department is investigating.

Gov. Orval Faubus ordered National Guardsmen to the school grounds, and the school board halted planned integration despite a federal court order providing for it.

As to the school integration picture generally, Eisenhower said we are going to whip this thing in the long run by Americans being true to themselves and not by laws.

CONGRESS — Eisenhower replied not much when asked whether anything had happened to change his assertion two weeks ago that he was tremendously disappointed in the performance of the 85th Congress, which adjourned its first session last Friday.

The President touched off a round of laughter by pulling a sheet of paper from his pocket and saying he had a little list dealing with the record of Congress.

On the credit side Eisenhower listed enactment of such measures as the Middle East anti-Communism resolution, creation of the International Atomic Energy Agency, passage of the civil rights bill, and the bill designed to safeguard FBI files.

At Least 176 Jamaicans Killed In Railroad Crash

MANDEVILLE, Jamaica (AP) — The smell of death hung heavy over this little Caribbean mountain resort today as burial services were rushed for nearly 200 Jamaicans killed in the wreck of a Roman Catholic excursion train.

It was one of the worst disasters in railroad history. The 12-coach train was packed with nearly 1,500 Roman Catholics returning to Kingston from a religious pilgrimage and holiday outing at Montego Bay, on Jamaica's north coast. Nine coaches derailed and plunged over a 100-foot embankment; near Kendal, five miles from Mandeville.

Toll May Reach 200

The count of the dead reached 176 last night. The Catholic bishop of Jamaica, the Most Rev. John J. McEleney of Woburn, Mass., estimated it might rise to 200.

Three Couples Get Marriage Licenses

The following persons have been issued marriage licenses by Clerk of Courts Kenneth W. Johns:

Paul Robert Barnes, 22, son of Robert Franklin and Agnes Catherine Barnes, Littlestown R. 2, and Mary Gertrude Swope, 19, daughter of George Daniel and Mary Ganes Swope, Gettysburg R. 5.

Robert Horner Cashman, 21, son of Thomas H. and Frances Rebecca Cashman, York Springs R. 1, and Shirley Mae Heller, 19, daughter of Elmer H. and Vergie Mae Heller, Biglerville R. 1.

Clifford Edgar Laughman, 27, son of Clifford George and Mary Edna Laughman, Hanover R. 5, and Norma Jean Werner, 22, daughter of Roy William and Mary Margaret Werner, Hanover R. 2.

PUBLIC FAVORS EXPANSION OF LOCAL HOSPITAL

"Overwhelming public sentiment favors expansion and modernization of the Annie M. Warner Hospital, and the financing of this project by public subscription."

These beliefs have been disclosed in a survey of public opinion, just completed by the community relations committee of the hospital, among residents of Gettysburg and the neighboring communities.

Wilbur A. Bankert, president of the hospital's board of directors, today reported that a third analysis of replies to the survey revealed that 94 out of every 100 persons think a greater Warner Hospital should be built. Ninety per cent were in favor of seeking public subscriptions in an area-wide campaign as the best way to finance the program.

Many Were Patients

Noting that seven out of every 10 persons replying said they themselves, or some member of their families, had been a patient at the hospital during the last five years, Bankert said "many of those who expressed this opinion were speaking with the authority of personal experience."

"But," he added, "public agreement on the need for an expansion project also was based on a realistic understanding of the nationwide trend toward increasing reliance on hospitals." This, he explained, was revealed in the survey by the fact that, when asked: "Do you believe that the demands for hospital care, which have more than doubled throughout the nation since the 1940's, will show a further increase?" 95 per cent of those replying said "yes."

Compelling evidence in support of this view was found in the replies (Continued On Page 7)

Give Demonstration Of Square Dancing

A group of dancers, members of the Adams County Senior Extension Club, presented a demonstration of the square dance at Camp Wohelo, near Waynesboro, Saturday evening.

They were invited to give the demonstration by the camp management for the guests at the camp who were young married couples from Washington, D. C., and Bethesda, Md.

Fred Crouse was the caller.

Taking part in the dance were Mrs. Carl Kessel, Mr. and Mrs. James Behney, Misses Ruth and Sara Bretzman, Larry Crouse, Miss Teresa Murren, Miss Mary and Dorothy Wetzel, Paul Kuhn, Franklyn Ryman, Cecil Guise and Mrs. Fred Crouse.

PTA MEETING

The PTA board meeting will be held at 8 p.m. Wednesday in the teachers' lounge of Keefeauver School.

TEACHERS MEET TODAY; SCHOOLS OPEN TOMORROW

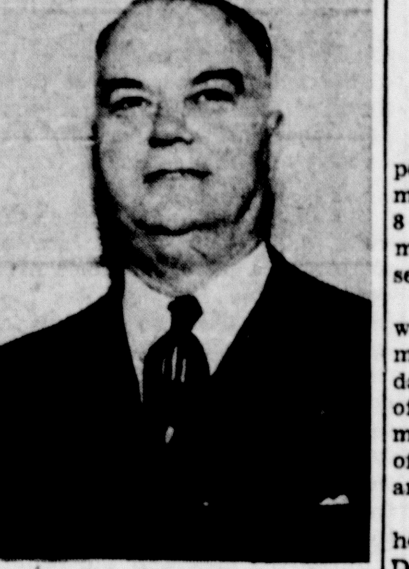

Approximately 95 Gettysburg public school teachers went back to school this morning, a day ahead of the 2,340 boys and girls who will report Wednesday morning.

The faculty for the local public schools, largest ever assembled for the Gettysburg schools who have their heaviest enrollment in history, met this morning at the Keefeauver Elementary School auditorium and this afternoon divided for separate elementary and high school sessions.

The opening devotional period this morning at 10 o'clock at Keefeauver School was conducted by the Rev. Robert A. MacAskill, pastor of the Gettysburg Presbyterian Church.

Hear Retired Schoolman

Then the teachers were greeted by Superintendent H. Edgar Riegle.

W. C. EVANS

who is opening his first school year as head of the local schools. He became superintendent last January 1. Kenneth G. Reinhart Jr., business manager for the public school system, also addressed the group and there were announcements by Jack R. Corbin, president of the Gettysburg branch of the Pennsylvania State Education Association.

Principal speaker for the morning meeting was William C. Evans, retired Dillsburg school superintendent.

This afternoon the grade school teachers assembled again at Keefeauver School with Richard A. Folkenroth in charge of discussions of schedules and other plans for the year at the four grade school buildings.

21 New Teachers

The high school faculty met at their building with Principal G. W. Lefever in charge.

New teachers—21 of them—attended a special Orientation Day last Tuesday when they were greeted by school administrators, a representative of the school board and given information about the local school system.

Public schools open their 1957-58 term here Wednesday morning. Schools will dismiss Wednesday afternoon at 2 o'clock and then will follow the regular schedule for the remainder of the week. Starting school for the first time Wednesday will be about 250 first graders, filling eight school rooms.

HARTLEY RITES THIS AFTERNOON

Funeral services for Airman First Class John Howard Hartley, 21, son of Mrs. Elizabeth Hartley, 242 S. Howard Ave., who was fatally injured Sunday morning in an auto accident on the Lincoln Highway, near Cashtown, were held this afternoon at 2:30 o'clock at the Bender Funeral Home.

The Rev. Dr. Paul L. Reaser, pastor of St. James Lutheran Church, conducted the services. Interment was made in the Evergreen Cemetery. The pallbearers were J. Richard Schmitt, Larry Kane, Richard Hartley, William Sperry, Robert Rohrbaugh and Raymond Creager.

Airman Hartley, who was on leave from Fort Meade, was one of two young men fatally hurt in the crash Sunday when his car struck the rear of a pickup truck. The other person fatally hurt was Raymond Paul "Jack" Weaver Jr., 23, son of Mr. and Mrs. Raymond F. Weaver, S. Washington St. John V. Coleman, Emmitsburg Rd., was seriously hurt and is a patient in the Warner Hospital.

Hartley, driver of the death car, was pinned in the wreckage by the steering wheel. He suffered compound fractures of the skull and both legs and his chest was crushed.

434 Traffic Deaths Stalked U.S. Highways During Holiday

By THE ASSOCIATED PRESS

Traffic accidents killed more persons than the 420 predicted for the Labor Day weekend. The toll appeared heading for one of the biggest for the holiday since World War II.

The heavy highway death rate for the 78-hour period starting at 6 p.m. last Friday and ending at midnight Monday (local time) was termed a "tragic trend" by safety experts.

Delayed reports of accidental deaths were expected to boost the highway toll above last year's.

Woman Found This Morning After Search

A search instituted by borough police at 10:30 Monday night for a missing person ended shortly after 8 o'clock this morning at the former brickyard in the northwest section of town.

The search began Monday night when police said Mrs. Jennie Donmoyer, 61, Gettysburg R. 2, left her daughter-in-law's car in the center of town. When found by police this morning Mrs. Donmoyer told the officers she had become confused and did not know where she was.

The elder Mrs. Donmoyer and her daughter-in-law, Mrs. John O. Donmoyer, came to town Monday evening and the younger Mrs. Donmoyer went into a store, leaving her mother-in-law in the car.

Searched Through Night

When she returned to the vehicle, the younger Mrs. Donmoyer found her mother-in-law missing. She waited, anticipating the return of the woman to the car. When the elder Mrs. Donmoyer failed to appear after a time, Mrs. John O. Donmoyer called for police assistance.

Four cars were enlisted in the search to cover the entire town to try to locate Mrs. Donmoyer, with several local men aiding police in the search. They covered the community without success.

Early this morning those aiding police gave up the search, but the local officers continued traveling through the town and checking for a trace of Mrs. Donmoyer.

Found At Quarry

WGFT was asked to broadcast a description of Mrs. Donmoyer with the hope that someone would have seen her.

Shortly after 8 o'clock borough police turned toward the brickyard for the fourth time during the search. This time they found Mrs. Donmoyer walking along the edge of the water-filled quarry.

She had by that time, however, apparently started to recover from her confusion and knew Borough Officer Luther Stevens when he approached her. She was unable to say, however, where she had been during the night.

Will Nominate CWV Officers

Officers will be nominated at the next meeting of Catholic War Veterans, Bonnevillerville, September 28 at 8 p.m. Refreshments will be served.

The next Home Association meeting will be held next Monday evening at 8 o'clock. Bowling will begin September 19 at 7:30 p.m. but members wishing to bowl must sign the chart in the post home by September 12.

New members are Howard Myers, Gettysburg R. 5, and John Maslowski, Gettysburg R. 4. Those in charge of the church bulletin schedule are: September 6, Edward Smith and Kenneth Orndorff; September 13, Joseph Clabaugh and John Legore; September 20, Richard Weaver and Bernard Lemmon; September 27, Raymond Small and Donald Gebhart.

Five members of Boy Scout Troop 77 became first class Scouts: Michael Farrell, Raymond McMaster, Mark Long, Stephen Dattilio and Gary Gebhart. Gerald Neiderer and Ronald Weishaar became second class scouts.

The 16th District meeting will be held the second or third week in September. The date and place will be announced later.

HEAVY TOLL IN LIVES, DAMAGE ON ROADS IN '57

Motorists using Adams County highways have caused \$218,623 worth of damage so far this year, state police records show.

The damage resulted from 236 automobile accidents, 14 more than occurred during the comparable eight-month period a year ago when there were 222 auto crashes.

Seventeen persons lost their lives in the auto accidents in the county during the period from January through August this year.

That number compared to 12 deaths during the first eight months of 1956. It also compares to a total of 18 deaths for all of 1956.

Fewer On Injured List

The number of injured was less than during the comparable period a year ago. "Only" 171 persons suffered pain, disfigurement and, for some, crippling for a lifetime as a result of accidents on Adams County highways. During the same eight months a year ago 184 persons suffered injuries from auto accidents.

The toll as listed from state police reports does not represent the total of property damage and twisted and broken bodies resulting from auto crashes in the county. Most of the boroughs have police forces which investigate their own accidents. And a large number of accidents — particularly one-car crashes — occur without police being called to investigate.

According to state police there were 39 accidents on the county's highways during August, compared to 25 for the same month a year ago and 23 for July of this year.

While there were no fatal accidents (Continued On Page 7)

6,000 PUPILS GO BACK TO SCHOOL TODAY

Today was "back to school day" for approximately 6,000 Adams County youngsters.

From one end of the county to the other first graders met teachers for the first time, frequently accompanied by anxious mothers, while older children returned to familiar buildings to take up once again the routine of education.

While today was "opening day" for most schools, a few will not get underway until Wednesday. The approximately 2,300 children of the Gettysburg Joint School system and the children in the Franklin Twp. schools will not begin until Wednesday.

Delone Catholic High School is another that will begin Wednesday — with Freshmen only present for the first day.

Some Started School Last Week

For 1,396 other county children school is "old hat" by today. They, students in the Upper Adams Joint School System, began their year's instruction last Thursday with 298 elementary pupils at Benderville; 242 elementary pupils at Benderville; and 260 elementary students at Biglerville. A total of 596 was enrolled in the Biglerville Junior-Senior High School. And an additional "40 or 50" youngsters who were needed for farm work are expected to start school next week.

Driver Fined After Auto Hits Garage

The car of Clyde Bittle, 50, Gettysburg R. 5, headed for a garage when Bittle lost control of here along the Lincoln Highway at 5:45 o'clock Monday evening.

State police said Bittle was driving east when his car went off the road, traveled 120 feet on a private drive and smashed into the door of the private garage of Harry W. Luckenbaugh, Gettysburg R. 5.

Damage was estimated at \$100 to the car and \$200 to the door. No one was injured. Bittle later paid a fine and costs on a reckless driving charge brought against him by state police before Justice of the Peace Harry E. Baker.

3 Cars Are Involved In Monday Accident

Damage totaled \$200 when three cars collided on Baltimore St. Monday evening at 5:45 o'clock.

Borough police said three cars had stopped in the first block of Baltimore St., all headed south. Eva Scott, Richmond, Va., also driving south, was unable to stop her car in time and it struck the last vehicle in the line, owned by Alton Seaborn, Camp Ritchie, Md. The impact forced Seaborn's auto into the rear of a car operated by Charles Neff, Baltimore.

PACK 73 MEETING

Cub Scout Pack 73 sponsored by the Presbyterian Church will have its regular committee meeting at 7:30 this evening at the church.

Fair Opens This Evening

The South Mountain Fair will open for its 34th season at 6 o'clock this evening and the grounds near Arendtville will be a beehive of activity this afternoon in preparation for the opening.

Monday also was a busy day at the fairgrounds with exhibitors taking advantage of the holiday to move in large portions of the estimated \$3,000,000 display of exhibits.

The fair will continue through Saturday with special activities scheduled for each day.

Buck Steele's Frontier Days will be a feature attraction daily. It includes, cow punching, lassoing, trick riding and miscellaneous features of a rodeo.

There will be band concerts daily.

15,432 VISIT TRAVEL OFFICE DURING AUGUST

More tourists visited the Gettysburg Travel Council information center last month than in the same period in 1956 according to figures released today by Donald V. Manning, chairman of the office committee.

Last month there were 15,432 visitors compared with 11,275 in August 1956, a gain of 4,157. One person from each party of tourists was asked to fill out a card giving information concerning the group.

Guest cards signed in August 1957 totaled 4,626 compared with 3,626 in August 1956.

The busiest day this season was August 20 when 213 guest cards were signed representing 753 tourists from 27 states, Canada and Scotland. During the month of August, all the states were represented, except Wyoming, and Canada and seven foreign countries.

Some 1,247 touring parties signified their intention of using a licensed Battlefield guide during their stay in Gettysburg.

12,066 Sign Cards

So far this season, which began April 17, 12,066 guest cards have been signed, representing 41,069 tourists. These tourists came from all of the 48 states, Canada, Puerto Rico, Hawaii, Alaska and 17 foreign countries. 2,981 parties signified their intention of using a licensed Battlefield guide during their stay in Gettysburg.

The states having the largest number of tourists are in the same order for both August and the season. Pennsylvania leads with 2,827 tourists during August and 8,581 during the season. Other states are: New York, 2,688 and 6,481; Ohio, 1,654 and 3,926; New Jersey, 1,320 and 3,259; and Illinois, 919 and 2,288. The figures were compiled by Frank M. Newcomer of the Information Center staff.

DRIVER ARRESTED

Ivan Sowers, 33, Gardner R. 1, was arrested on Saturday in Mt. Holly Springs on a charge of driving while under the influence of intoxicants by Police Chief Frank Stoerzinger. The charge was filed before Justice of the Peace Luther Peterson, who said Sowers admitted the charge at a hearing. Sowers posted bail for his appearance in court.

Only White Students Go To School Today At Little Rock

LITTLE ROCK, Ark. (AP) — Only white students went to class at Little Rock Central High School this morning while about 200 adults stood outside the ring of National Guardsmen placed there last night by Gov. Orval Faubus.

None of the nine Negroes scheduled to enter the 2,000-pupil school today showed up apparently in compliance with a school board request. The board called off the scheduled integration early today after the governor ordered the troops to the school grounds last night in effect halting the planned race mixing.

Faubus told a television audience last night that to maintain peace and order the school had to remain unsegregated at least for the time being.

Two Demonstrations

There were only two quiet demonstrations from the crowd, composed of about 200 students and as many adults. There were no Negroes in sight although a truckload of young Negroes drove to within a block of the school and then left.

WILL HONOR 3 FRUIT QUEENS AT FAIR FRIDAY

Three of Adams County's "Fruit Queens" will be presented with gifts at the "Republican Day" rally to be held Friday at the South Mountain Fair.

According to plans outlined by the Adams County Council of Republican Women a special program will be held in the Memorial auditorium at 7 o'clock Friday evening at which the "queens" will be honored.

State Senator Douglas H. Elliott will make the presentations of gifts to Miss Jean Heller, 17, a student at Biglerville High School and daughter of Mr. and Mrs. Charles Heller, Gardner R. D., who is the county "Apple Blossom Queen"; Miss Anna Mae Stambaugh, 16, a student at York Springs High School and daughter of Mr. and Mrs. George Stambaugh, York Springs R. 1, who is the "Peach Dessert Queen"; and Miss Heidi Nickey, 16, a student at Littlestown High School and daughter of Mr. and Mrs. Bernard Nickey, Littlestown, who is Adams County's and Pennsylvania's "Cherry Pie Queen."

Welcome By Jester

Patrician music followed by an address of welcome by W. Clayton Jester, director of the fair, will open the 7 o'clock program. Senator Elliott will speak briefly and introduce various local candidates. Mrs. A. W. Butterfield, president of the County Council of Republican Women, will introduce honored guests. The program will close with presentation of gifts to the queens and closing music.

Friday evening's program will be part of the activities on the part of the Republicans throughout the day. The booth of the Adams County Council of Republican Women will be headquarters throughout the day. A talking elephant will be featured and will hand out peanuts to the children. There will be free refreshments and souvenirs for all who visit the booth.

The Republican Women are urging all Republicans in the county to attend the fair for supper at the various concessions there between 5 and 7 o'clock and then take part in the auditorium program.

477 Children In Parochial School

Four hundred seventy-seven children enrolled at St. Francis Xavier Catholic School here this morning, with the children attending Mass at St. Francis Xavier Catholic Church and the beginning their studies at the school. A shortened session was held today with the school dismissing at 2:45 o'clock.

Largest grade in the school is the Fifth, with 81 enrolled. The class has been divided into two sections, with Sister Isidore and Sister de Sales teaching the two classes.

Second largest class is the First grade, with 70 enrolled. Sister Dolores is the teacher. The enrollment in the other grades and the teachers are: Second, Sister Dierdra, 67; Third, Mrs. Madeleine Killalea, 61; Fourth, Sister Rene, 57; Sixth, Sister Isabel, 56; Seventh, Sister Jacinta, 43; Eighth, Sister Plavia, 42.

Wednesday students from St. Francis parish who are freshmen at Delone Catholic High School will begin their studies. Thursday upper classmen at Delone will begin classes.

JUNIOR RIFLE CLUB MEETS

The Gettysburg Junior Rifle Club will resume its activities with a meeting Wednesday evening at 7 o'clock at the National Guard Armory. New members, boys or girls between the ages of 12-18, are welcome. Equipment will be furnished by the club.

NEGROES ENROLL AT STURGIS, KY.

STURGIS, Ky. (AP)—At least 17 negroes, ignoring a series of weekend incidents, enrolled today at the previously all-white Sturgis High School.

Two police cruisers patrolled the street as a crowd of 100-150 gathered to watch the negroes enter the school, scene of integration disorders last September. The school was ordered to integrate this year under terms of a federal court order.

State police said several teenagers, riding in a passing auto, tossed pebbles at the negroes but there were no other disturbances.

Teen-agers also were blamed for Saturday night's incident when a black-faced dummy, put together with rags and wire, was strung up in front of a downtown store.

A dynamite charge was exploded Sunday night at Camp No. 1, a negro section here, but there were no reports of injuries.

The National Assn. for the Advancement of Colored People filed suit to open Sturgis.

BY VIVIAN BROWN

The Associated Press
Are you a hot house flower? If you are it may hinder your popularity. That's the theory of some young girls who've noticed their dates are fewer than usual this year.

"The girls in our set who are popular," says one hot house type "are the ones who keep up with the boys — hiking, swimming, horse back riding, tennis, golf, badminton. It wasn't that way until recently."

You don't have to be a tomboy to be a good sport. The idea is to be vivacious, not boisterous.

Dilkie Exercises
Tis true that some young moderns do not like to exercise.

Fear may present a problem, but it is not insurmountable. There are girls who are scared of the water and have never even tried to swim. A good teacher can change this. Local organizations and private clubs have swimming courses. A lifeguard is another good bet. He may be hired (or charmed) to teach you on his off time. Shy types could take lessons early in the morning or in the evening until they get up courage to go it with the crowds.

Laziness is no excuse for begging off from summer fun. A girl who doesn't like to stir herself or make small efforts in her own behalf may be suffering from malnutrition, a common affliction of teen-age dieters. Undernourished types should increase calories until they wake up some morning with a yen to conquer those wide open spaces.

Languid types are definitely not popular this season. It may be true that a boy will invite you out for a nice relaxing sail, but he'll want you on deck if things get stormy. A girl who prefers to hover in an emergency is a dead pigeon for a future sailing date.

Your femininity doesn't need to be overshadowed if you pursue a sport. Tennis is a graceful game for a girl. Golf may be taken at your own pace, not with beads of perspiration dotting the brow. Horseback riding, the sport of queens may be just the sport for a girl who is a nature lover.

Bicycling too, is a delightful pastime. It gives a girl an opportunity to wear chic shorts, attractive blouses, trim shoes. It is fun for one or a group. The modern American bicycle may be loaded with all sorts of accessories to please the hot-rod crowd.

It's a good idea to remember if you meet a new beau and he is the outdoor type to make an effort to go along with him and enjoy the sport—fishing, shooting or whatever. If you give it a whirl and do not enjoy it, an understanding date will at least give you E for effort. But nobody loves a kill-joy.

Reading Specialist Suggests Newspapers
EAST LANSING, Mich. (AP)—An expert on the subject says newspapers should be available in classrooms, offices, libraries and lounges of schools to encourage reading.

Dr. Roma Gans, Columbia University reading specialist, suggested newspapers as "reading tools" at a conference of Michigan school teachers and principals. "Too often," Dr. Gans said, "teachers are ordered to teach without proper tools."

DELUXE STILL BRINGS ARREST

BALTIMORE (AP)—John Paul Joines, 23-year-old Pennsylvania arrested when federal agents raided a deluxe still over the weekend.

Joines was arrested today on charges of moonshining. He was held in \$2,500 bond today on charges of moonshining.

Eight agents of the U. S. Alcohol and Tobacco Tax Division raided the still 5 miles south of the Pennsylvania state line in northeast Baltimore County. It was located in a wooded area near Gorsuch Mills.

W. L. Riley said the still had a capacity of 4,000 gallons and was one of the best in Maryland in years.

Riley said Joines, formerly of Stewartstown, Pa., and now a resident of New Freedom, Pa., was arrested during the raid. Another youth escaped, driving an automobile through underbrush and across fields.

Joines waived hearing and was expected to post bond this afternoon.

DEATH

William F. Landis Sr.

William F. Landis Sr., 45, husband of Louise R. Bupp Landis, York, died at 7:10 p.m. Sunday at York Hospital following an illness of several weeks.

Mr. Landis was employed by York Division of Borg-Warner Corporation and at the time of his death was a foreman there. He was a member of the First EUB Church and the Sunday School class taught by Henry Kottcamp, Lincoln Fire Company, the Foremen's Club of York and the 30-year club of the York Division, Borg-Warner.

In addition to his widow he is survived by four daughters, JoAnne L., Jane A., Joye Lynne and Judy Gaye Landis, all at home; a son, William F. Landis Jr., at home; his mother, Mrs. Addie A. Landis, York, and three sisters, Mrs. Norman Miller, Abbottstown; Mrs. Harry Sprenkle, and Mrs. David Newcomer, both of York.

His pastor, Rev. Dr. W. Ward Smith, will officiate at funeral services Thursday at 10 a.m. from the William E. Small Funeral Home, 733 Roosevelt Ave., York. Interment in Prospect Hill Cemetery.

Braves' Stadium Chief Lectures Attendants

MILWAUKEE (AP)—William Anderson, manager of Milwaukee County Stadium, has urged his 121 parking attendants to be kind to motorists who might get caught in heavy traffic leading to the stadium where the Milwaukee Braves hold forth.

Last year, he explained, there was a driver who couldn't get his car out of the middle lane leading directly to a parking lot.

Asked for his 25-cent parking fee, the man replied:

"Listen, bud, I'm just trying to get to Minneapolis."

SAFETY MEASURE

BARNWELL, Alta. (AP)—Terry Pickett, 5, fell and bent his arm so badly doctors put it into a cast. Then he tripped and broke the arm. In the hospital, he knocked it against the bed post and broke the cast. Now the doctors have put the arm in a wire cage.

COLEMAN IMPROVES

John V. Coleman, 19, son of Dr. and Mrs. J. Walter Coleman, Gettysburg R. D., critically injured early Sunday morning in an auto accident on the Lincoln Highway eight miles west of here, a crash that claimed the lives of two companions, was reported at the Warner Hospital today to be somewhat improved.

The Youth Choir of Fehr's Lutheran Church, McKnightstown, will rehearse at the church at 7 o'clock and the Senior Choir at 8 o'clock Wednesday evening.

Mr. and Mrs. Roy Lady and son, Lawrence, West Chester, and Miss Joan Stilwell, Washington, D. C., visited Sunday with Mr. and Mrs. L. W. Garretson, Arendtsville, and Mr. and Mrs. Luther Lady, Biglerville R. 2.

Beauty for Miss & Mrs.

By Vivian Brown
The Associated Press

Time was when beach fashions were more or less limited to bathing suits. These days, however, you can't be a well-dressed beach beauty unless you sparkle above the chin.

New beach hats are glamorous creations, available in chic designs. One sports an opening at the crown for sun lotion storage. Swim hats are available in elegant, waterproof materials. A girl who doesn't have one just isn't in the fashion swim.

Two types of sunglasses are popular: large men's glasses that women purchase for themselves, and enjoy wearing for ports wear and driving the car; and glamorous sunglasses they enjoy wearing to lunch on the club terrace or to afternoon tea.

Mansized Glasses
Popular mansized glasses are being styled to suit the ladies. The trend to this fashion is credited to Princess Grace who was photographed so often in masculine-style glasses after the famous wedding. The idea caught on.

Glasses that sparkle feature tiny rhinestones sometimes set into colorful fire pink, turquoise, black

CENTENNIAL'S ANNIVERSARY EVENTS CLOSE

Judge W. C. Sheely paid tribute to volunteer firemen's organizations Saturday night at the 50th anniversary celebration of the Centennial Fire Company in the Conewago Chapel picnic grove, about three miles west of Hanover. Judge Sheely is honorary fire chief of the Adams County Firemen's Association.

Two charter members of the company, J. A. Hagerman and H. J. Adams, and the first piece of fire-fighting apparatus secured by the company, a hand-drawn chemical tank, were accorded places of honor in a firemen's parade preceding the ceremonies.

The two-division parade, led by John Murren, director of the host company and fire marshal of Adams County, including representatives from 18 fire companies in this area.

List Parade Winners

Ruth Koontz, daughter of Mr. and Mrs. Charles Koontz, Kingsdale, who was crowned "Queen of the Adams County Firemen" Thursday night in Kingsdale, rode a special float in the parade.

Parade winners were announced as follows: Best appearing company with marching unit, apparatus and music, \$60, Pleasant Hill Fire Company; best appearing company with marching unit and apparatus, \$20, McSherrytown Fire Company, and company traveling the longest distance, \$15, Shrewsbury Fire Company.

The marchers were judged by Adam J. Scheid, Mt. Rock; Henry Waltman, Littlestown, and Charles Noel, McSherrytown.

President Says

(Continued From Page 1)

asked but not enacted, Eisenhower ticked off proposals for protection of welfare and pension funds in the labor union field, to restrict highway advertising, an emergency corn program; tax reduction for small business, insurance against floods and a postal rate increase.

Finally, Eisenhower said the foreign aid appropriation of some \$3,400,000,000 is not adequate.

On that latter point he spoke at length, saying that the mutual security program provides the best protection against what he termed a monolithic dictatorship. He also called foreign aid not only the cheapest and most economical kind of protection, but the most effective.

TAXES—Discounting claims in Congress regarding economy, Eisenhower said the savings actually achieved do not justify a tax reduction at this time. But he said he was not foreclosing the possibility of a tax cut later. Such a resolution, he added, would loosen the economy and generally be a good thing.

The President estimated Congress cut his budget between 900 million and one billion dollars.

LIVING COSTS—Inflation is this country's major internal problem today, Eisenhower said. He added he is not advocating a buyer's strike, but did urge the public to purchase selectively in an effort to control prices.

Eisenhower's remarks were prompted by a reporter's remarks that all grocery store prices seem to be going up. The newsman also mentioned having to pay more for a toothbrush and for taxi cab rides in Washington.

As he has in the past, Eisenhower said the administration is

not considering what he called legislative inflation controls, such as curbs on prices and wages. Those controls in time of peace, he went on, are self-defeating and would lead to an entirely different form of government than Americans know at present.

Eisenhower did say the government does attempt to exert every influence to control inflation, through meetings with private groups and through Treasury Department and Federal Reserve Board actions.

DISARMAMENT—Eisenhower noted that the U. N. subcommittee on disarmament is resuming meetings in London today. That was about as far as he went to ward any expression of opinion regarding Russia's disappointing attitude on disarmament during the last week.

The President said he sees no constructive steps which the Western Powers can take at this time, but that some chink might open toward progress during the course of the London talks.

DEFENSE—Holding defense spending to about 38 billion dollars during the current fiscal year should give the United States a very fine defense program, Eisenhower said. He made that remark when asked whether it would be held to such a level in the light of Russia's attitude regarding disarmament, and in view of the inflationary trend at home.

To cut below the 38-billion level would entail an unacceptable risk, the President said, and to exceed the level would amount to unnecessary spending.

WISCONSIN—Commenting on the upset victory of Democratic William Proxmire over Republican Walter Kohler in Wisconsin's U. S. senatorial election, Eisenhower said it is dangerous to take any single phenomenon and come to too wide a conclusion.

He said the national ticket

SHORT OF RAIN IN ARENDTSTVILLE

Arendtsville had about a half inch more rain last month than Gettysburg but even with that advantage it was Arendtsville's driest August in seven years, according to the report of Dr. Frank N. Hewetson from the Arendtsville laboratory weather station.

Arendtsville rainfall totaled 1.88 inches last month as compared with 1.39 inches in Gettysburg. The Arendtsville figure was 2.3 inches short of normal for that weather station and 2.02 inches below the rain for August of last year.

The August rains brought the accumulated total for eight months there to 22.73 inches which is 6.74 inches below normal and 4.95 inches below the eight-month total for the same date last year.

There were 268 hours of sunshine at Arendtsville last month which is 58.4 per cent of the total "available."

Temperatures for August at Arendtsville averaged 71.05 degrees, exactly 1.7 degrees below normal. The average daily high was 84.8 degrees and the average low was 57.3 degrees. The extremes for the month were 96 on August 3 and 47 on August 24.

MISSING NET STARTS BAXTER IN GOLF PLAY

By HAROLD V. RATLIFF
HOUSTON, Tex. (AP)—The day Rex Baxter and Bobby Sanders went to the Amarillo, Tex., Country Club to play tennis, the nets were missing from the courts.

Baxter, "that's too easy," suggested Sanders, "Heck, no," replied. But Sanders argued Baxter into trying it so he picked a club from the bag Sanders had obtained from his father. It was a club with a 5 on the bottom. Baxter teed up the ball and promptly slapped it a cool 100 yards.

Youngest Cup Player
And now, 10 years later, Rex Baxter has become involved in a golfing career that has brought him national recognition. He is on the Walker Cup Team—the youngest linkster ever to gain that honor—and is Trans-Mississippi and the National Collegiate Athletic Assn. champion.

At 21, Baxter is a seasoned veteran because he has played in a couple of hundred tournaments, National Amateurs and two National Opens.

The strong young man from West Texas played 16 rounds of competitive golf in 12 successive days in winning the Trans-Mississippi and the NCAA—tournaments that were played in Dallas and Colorado Springs, Colo.

His Dallas-to-Colorado feat has been lauded nationally as a true measure of greatness. Just consider the fact that he won the Trans-Mississippi on a Sunday and flew to Colorado Springs to tee off at 9 a.m. Monday in the NCAA.

Started in 1932
But it wasn't a new experience for Rex, since that's how he started in golf. His first big victories came on successive weekends in 1932 when he won two

which he led in 1956 won handsomely in Wisconsin. Then he said that about 60 per cent of Wisconsin people who voted for Sen. Wiley, a Republican, in Wiley's 1956 successful bid for re-election, failed to vote for Kohler this year.

Eisenhower also cautioned against what he termed exaggeration in the use of slogans and catch words in an election.

SECOND TERM—As he did recently, Eisenhower said he had no regrets about deciding to seek a second term. To regret that decision, he added, would amount to saying he regretted having decided to do his duty.

But, on the other hand, to say that he has been as successful as he would like to be as President would be untrue, Eisenhower said. He expressed a conviction that in the long run we will come to see put into effect what he calls middle-of-the-road government.

moved—blocked one street. A few guardsmen congregated across the street from the crowd and others were strung out along the 2-block-long front of the building and two or more were stationed at each of the numerous entrances.

The crowd stood quietly most of the time. A National Guard lieutenant colonel told the boy with the flag not to display it again. However, he brought the flag out again a few minutes later and there was another burst of applause.

Some 500 white students were in the building about 30 minutes before classes were scheduled to start and the crowd thinned down considerably.

Maj. Gen. Sherman T. Clinger, Arkansas adjutant general, arrived on the scene a few minutes before the start of classes and said that he was pleased to see the crowd so orderly. He estimated the number of guardsmen at 250. He added that he would report to Faubus later today.

Clinger would not say whether the troops will be pulled out today.

Later, a Negro newsman, L. C. Bates, husband of the Arkansas president of the National Assn. for the Advancement of Colored People, showed up at the school.

White people immediately engulfed him but made no move to harm him. Asked what he was doing there Bates quipped: "I'm just adding a little color."

He said the NAACP attorneys definitely would take some action to counter Faubus' move.

HARRISBURG

HARRISBURG (AP)—A reciprocal plan of escaped parole violators serving the remainder of their prison terms in the state in which they were apprehended was urged today by P. J. Gernet, chairman of the State Parole Board.

Gernet said the plan was developed at a recent meeting of the Council of State Governments at Chicago. Gernet, who represented Pennsylvania at the meeting, was elected to the five-member board of directors.

national junior titles at the age of 17.

Baxter, known at the University of Houston where he stars on the golf team as "The Great Baxmo," says he has no intention of turning professional; rather he's seeking a business career in Texas. But he also says he won't be playing as much golf even in the amateur ranks from now on. He will, of course, seek the national amateur championship Sept. 9-14 at Brookline, Mass.

Baxter recently married Barbara Siler, a University of Houston co-ed. She will start teaching school this fall.

LUTHER LEAGUE ENDS SESSIONS

In the final edition of the 36th annual "Convention Daily" published by the Maryland Synodical Luther League, the Leaguers expressed their appreciation to the Gettysburg College staff "who have made our convention a success."

The four-day convention closed Monday noon following the final service and the installation of officers.

Appreciation was also expressed to Burgess William G. Weaver and borough police "for their cooperation." Edward Bailes, editor of the "Convention Daily" and "Leaguer's Light," from Epiphany Lutheran Church, Baltimore, said: "The people of Gettysburg have been wonderful hosts to our lively group of young people."

Following the election of committee chairmen at a business session Monday at 10 a.m., the new officers were installed by the Rev. Howard Reisz, Baltimore, director of Christian education and youth work for the synod.

Installed were: Cynthia Smith, president; Barbara Mann, first vice president; Jack Trautwein, second vice president; Emile Neussinger, recording secretary; Sandra Couchman, statistical secretary; Edward Poppler, treasurer; Paul McKay, member-at-large, and the Rev. Carroll Boyer, pastoral adviser. Also installed were these chairmen: Arthur Vompholms, social action; Ronald Couchman, recreation; Barbara Carback, evangelism; Gilbert Askew, Christian vocations; Barbara Hanson, missions; Fred Heise, alumni, and Isabella Woods, intermediate.

Larry Cameron was the out-going president and Bob Hyson served as the convention chairman.

MANY SCHOOLS OPENING TODAY

HARRISBURG (AP)—Schools reopened today for the 1957-58 term for some 2½ million children in Pennsylvania. Most schools started classes today but a few put off the opening until next week.

"Practically all schools in the state open either today or tomorrow," said J. M. Bonebrake, a Public Instruction Department researcher.

"Not too many of the country schools, as they are called, started classes a week before Labor Day as was the practice years ago. They (county school pupils) are reporting for school this week in most cases."

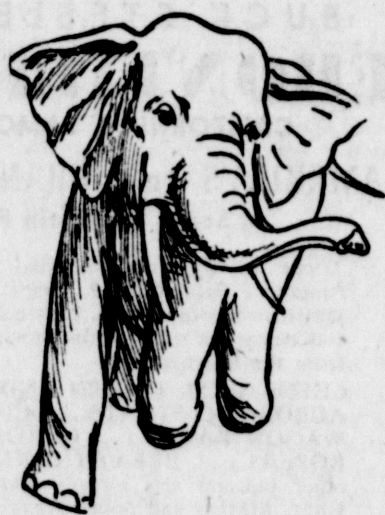

"At one time they used to come back early and take short holiday periods in order that they could get out for the summer early to help with the spring farm work."

PITTSBURGH (AP)—A weekend labor agreement—reached in the final hours of negotiations—kept 2,000 mouldmakers on the job today at 34 glass container manufacturing firms throughout the nation.

The American Flint Glass Workers Union and the Glass Container Manufacturers Institute approved a new two-year contract Saturday night only hours before the old pact expired at midnight.

Purchased Butcher's Establishment: A. Winton Crouse and Edward Weikert, of this place, have purchased the good will and fixture of a butchering establishment in Waynesboro and will take charge of the same this week.

Pleasant Gatherings: All of the children and grandchildren of Mr. and Mrs. J. T. Hartzell enjoyed Sunday at the very pleasant Hartzell home near town.

Mr. and Mrs. A. D. Oyer, Price Oyer and family, S. G. Spangler and family and several other members of the Oyer family picnicked along Marsh Creek Thursday. The Sheads and Miller families held an enjoyable reunion at Round Top Frud on Friday.

General Local Jottings: Stable Linn, son of Mr. and Mrs. T. C. Linn, of Salisbury, N. C., grandson of the late Henry J. Stahle, has accepted the Latin chair in the famous Cable school, more widely known as the Staunton (Va.) Military academy.

Ira Plank, who is pitching for the Norwich team of the Connecticut State League, is making quite as good a record as his brother, Eddie. Of the 30 games pitched this season, he has won 23. In a game with Hartford recently he won by the score of 1 to 0.

Mrs. Anna Stover and Edward C. Freed, both of Cashtown, were married in Hagerstown by Rev. A. B. Station, pastor of St. Paul's U. B. church on Saturday.

Schools opened Monday with good attendance throughout the county.

The glass blowers will remain in Gettysburg this week. They are giving excellent entertainments and showing to good crowds. The proceeds of the recent Catholic picnic at Round Top amounted to over \$300.

Camping Parties: Joseph Dickson, Samuel Melsenheider and Henry Huber are camping at the Natural Dam.

J. L. Mumper and family and John L. Sheads and two children returned Wednesday from an enjoyable outing along Marsh Creek near Greenmount.

Wedding Bells: McKenrick-Kimple: George McKenrick and Miss Nora Kimple, of Buchanan Valley, were married last Thursday in Baltimore.

Bream-Boyd: Aug. 28, near Barlow, by the Rev. D. J. Wolf, Lloyd W. Bream, of Midway, to Miss Dorothy M. Boyd, of Barlow.

Eyer-Currens: Aug. 27 at Fountain Dale, by Rev. D. C. Eyer, Wilson Eyer to Sarah C. Currens, both of Hamilton township.

Stroh-Hoffman: August 20 at Waynesboro, by Rev. J. P. McDermott, Wm. F. Stroh to Miss Mary A. Hoffman, both of Iron Springs.

Entertained Relatives at Dinner: Mr. and Mrs. Murray M. Sheads 38 West Middle street, delightfully entertained a number of relatives at dinner at their home on the 1st inst. in honor of Mr. Sheads' cousin, Archie B. Miller, of Rochester, Ind.

Personal: The Misses Sarah Wilson and Gertrude Spalding left Saturday on a trip to Philadelphia and Atlantic City.

Charles H. Miller, of Philadelphia, is visiting his mother, Mrs. M. M. Miller.

Charles B. Tawney and wife, of Loganport, Ind., are enjoying a visit at the home of his parents, Newton A. Tawney and wife, near town.

W. S. Savage and wife, of Altoona, are visiting the former's nephew, C. S. Speese, Hanover street.

Wm. E. Stallsmith of Parsons, is visiting George W. Stallsmith and family.

Nelson Sharetta has accepted a position as chemist in the paper pulp mills at Piedmont, West Virginia.

Among our recent callers was Albertus McCreary of Washington, D. C., who with his wife spent several days in Gettysburg, Mr.

Today's Talk

PEGGY'S COVE

There are places, which we visit in our lifetime, that stand out, separated from all others—unique. I visited such a one many years ago, and over the years I have gone back to it, as I did but a few days ago. They call it Peggy's Cove and it is located in Nova Scotia. There is no scenic place of beauty quite like it.

It is located on the South Shore of the Atlantic Ocean, less than an hour's journey from Halifax. It's a rugged cove, and nestles among great rocks, and a little inland by a "sea," or "forest," of great boulders, bigger ones than I have ever seen—and as far as the eye can see. There is the new lighthouse and a great spread of beautiful grey rock on which many a visitor has stood and exclaimed, "What is mere man?" One feels so small.

Neat, interesting homes spread over the cove, and the fishing boats and colorful sky, especially the sunsets, give an unforgettable picture. The handful of homes are those of the fisher folk, grand people, lovable and God fearing. Many have been my friends for a quarter of a century. They are kindly people, genuine and lovers of the sea. Artists and writers have loved this place, and they have left their tracks here. A friend of mine from New Orleans once visited Peggy's and had to see it three times before leaving for his home.

There is a peacefulness and comfort about this place. You leave it spiritually richer than you have been in a long time. That's the way Peggy's affects me. I have visited many a place of beauty but this one has "something else there." Its memory I carry in my heart, and always shall.

Tomorrow Mr. Adams will talk on the subject: "Interesting Talk" Protected, 1957, by The George Matthew Adams Service

Just Folks

GATHER YOUR ROSES NOW
But yesterday a rose, full blown,
Smiled sweetly at me as I passed.I would have plucked it for my own
But for the thought; its charms
Will last.Tomorrow I shall pass this way
And I shall pause a moment
then,
And yonder rose shall cheer my day
And make me happiest of men.Today, bowed down by grief and
care,
I wandered forth to seek the bloom.
I found it dead and withered there,
Shorn of its beauty and
perfume.Rush not so heedless on your way;
Stop your mad haste, oh, foolish
man.
Earth's pleasures for you will not
stay,
So pluck your roses when you
can.

Rain In East And Southern Sections

By THE ASSOCIATED PRESS
Rain sprinkled the Eastern and Southern sections of the country today but generally fair weather prevailed in most other areas.

Cool air moved across the north central part of the nation and headed into the Great Lakes and Ohio Valley. Showers and thunderstorms preceded the surge of cooler air.

Temperatures were generally in the 60s in the cool belt from the Dakotas through the Great Lakes region and southward through Missouri and Oklahoma.

Showers and thunderstorms set off near the leading edge of the cool air were reported from New York state through Ohio.

Minneapolis basketball players dropped 2,195 free throws last season to lead teams in the National Baseball Assn. in foul shooting.

GROUP DRAFTS
10 PRINCIPLES

By JULIUS GOLDEN

BUENOS AIRES (AP)—The Inter-American Economic Conference last night unanimously approved a declaration of principles formally killing any hope for an economic treaty for the Americas in the near future.

The "Declaration of Buenos Aires" was approved by all the American nations except Venezuela, which did not send a delegate to the conference. The declaration set forth 10 basic principles intended to guide the Americas in their drive toward economic betterment.

It replaced but fell far short of the proposed general economic agreement which was to have laid out an economic policy for the hemisphere. The draft agreement bogged down in controversy after two weeks of haggling and objections by the United States, Mexico, Chile, Uruguay, Peru and Paraguay.

Principles Approved

Delegate voted to ask the Organization of American States to continue to study the proposed agreement. A combination of resolutions approved during the 20-nation, three-week conference resulted in the declaration calling for:

(1) Increase in inter-American trade; (2) reduction of restrictions on inter-American trade; (3) international cooperation through consultation on basic product problems; (4) adoption of measures to facilitate acquisition of capital machinery and raw materials; (5) intensification of efforts to amplify the flow of private capital to underdeveloped countries of the hemisphere; (6) continuation of efforts to achieve sound financial conditions; (7) intensification of efforts to develop and use efficiently means of transportation and communication; (8) signing of agreements to facilitate free transit for landlocked countries; (9) approval of technical cooperation programs; and (10) strengthening of the Inter-American Economic and Social Council.

Compromise Leaders

Leaders in the compromise effort that brought forth the declaration of principles were the United States and Brazil.

Conference delegates publicly praised the declaration as a forward step, but privately many expressed disappointment that stronger action was not taken. U.S. delegate Roy R. Rubottom declared, however, the "United States heartily welcomes this declaration and is proud to be associated with it." Rubottom, an assistant secretary of state, said the declaration "again sets forth the real meaning of cooperation."

UMW Welfare Fund Balance Up 15 Million

WASHINGTON (AP)—The United Mine Workers welfare and retirement fund today reported payments of nearly 142 million dollars in benefits in the year ended June 30.

An annual report of fund expenditures showed an unspent balance of \$145,321,221.85 as of June 30, compared with a balance of \$130,172,370.58 on June 30, 1956.

The report said 97.2 per cent, or \$138,018,257.17, of last year's expenditures was paid to 215,702 beneficiaries. Administrative costs, including those of the Washington headquarters and 10 area medical offices, accounted for the other 2.8 per cent.

The fund is supported by tonnage royalty payments by mining firms, but is operated independently of the union or the firms.

BILLY GRAHAM GOES BACK TO NORTH CAROLINA

NEW YORK (AP)—Billy Graham has gone back home to North Carolina after his record-setting 31-month New York crusade, but he will return soon for more evangelistic work in the metropolitan area.

He plans to come back to New York Sept. 24 to address a breakfast meeting of New York City clergymen. He will be here again to end a week of evangelism Oct. 27 at the Polo Grounds. The evangelist also plans a few meetings in the vicinity of New York in October.

Graham left here by train after his crusade windup meeting Sunday night in the Times Square area.

Traffic Stopped

A hushed and reverent throng stretched for blocks near the Crossroads of the World as loudspeakers carried Graham's plea to seek Christ.

Gospel hymns echoed through the streets before and after Graham preached from a speaker's platform. Thousands of hands waved in the dusk as Graham called for "decisions for Christ."

Traffic was stopped for the evening meeting, but in the surrounding area, business went on as usual in the theaters, bars and restaurants.

Disagree On Size Of Crowd

Noting that Times Square "is primarily a place of amusement, money making, drinking, eating and merry-making," Graham told the crowd: "Tonight for a few moments it is being turned into a great cathedral as a symbol of the spiritual revival that is now in progress in the United States. Let us tell the whole world tonight that we Americans believe in God."

Graham held his last Madison Square Garden meeting Saturday night with a capacity crowd of 19,200. More than 7,000 more were outside.

Disagreement continues over the size of the crowd at the Times Square meeting.

In addressing the meeting, Graham said it had never "been my privilege to speak to 200,000 before."

Chief Inspector Thomas A. Nielsen of the Police Department estimated the crowd at 75,000.

Princeton won all eight matches to take the 1957 Eastern Intercollegiate Tennis Assn. championship.

and taken to Kingston. Acting Gov. John Stow and Chief Minister Norman Manley hurried to the wreck and ordered an immediate investigation, to be headed by the chief justice of the Supreme Court.

Stow called for a national day of mourning Sunday. Movie houses and night clubs in Kingston normally a gay resort center, were closed last night, and grief pervaded the city.

Cause Not Known

There was no immediate explanation of the cause of the wreck, although unconfirmed reports said the first coach which jumped the track had faulty wheels which had been inspected earlier on the trip.

Early reports said the train was pulled by two diesels which came uncoupled from the following cars. Later it was reported the first passenger coach broke away from two freight cars and the locomotive ahead and hit a culvert. Nine of the 12 coaches left the track and crashed down the embankment.

One of the coaches which dropped from the embankment burned and all its passengers were reported dead.

Some of the passengers reported that the train had been halted several times because of unruly behavior by some of those aboard.

Feared Bad Behavior

Ferdie Madden, an undertaker who had gone on the outing at Montego Bay, on Jamaica's north coast, said he left the train before the accident because of bad behavior by some of the younger people aboard.

George McCarthy, a male nurse at the Kingston mental hospital, said many of the passengers had been drinking and the train was stopped several times.

Two Americans Aboard

The Jamaican government railway has had trouble before with its diesel locomotives, but there was no immediate explanation of the uncoupling.

The excursionists were members of the Holy Name Society, a men's organization, and their families. The only foreigners reported

TO SOUND TAPS
WEDNESDAY FOR
WILLIAM LUNDY

CRESTVIEW, Fla. (AP)—Taps, the soldier's requiem, will sound tomorrow for William A. Lundy, Florida's last Confederate veteran and one of only three in the nation.

Lundy died Saturday night at the age of 109. The news brought expressions of regret and a peppery boast of personal vitality from one of the other longtime wearers of the Gray—Walter Williams, 114, of Houston, Tex.

Williams had a 103-degree fever yesterday but said of Lundy's death "I am sorry to hear it. His family has my sympathy and that of my family."

Full Military Honors

Then Williams predicted he would be the last survivor of the War Between the States. He vowed he would "still outlive the other one"—John Salling, 111, of Slant, Va.

The last wearer of the Blue, Albert Woolson of Duluth, Minn., a longtime Union Army drummer boy, died in 1956.

Lundy will be buried with full military honors. A U.S. Army chaplain will officiate at services at the First Baptist Church here, and an Army honor guard will provide final ceremonies. Burial will be in Laurel Hill, 20 miles north of this west Florida town.

Gives Pocket Veto To Vets' Loan Plan

WASHINGTON (AP)—President Eisenhower today killed legislation to extend and expand a direct loan program for veterans housing in rural areas and small communities.

In announcing a pocket veto of the measure, Eisenhower said it would have "a potential inflationary effect upon the economy." He also termed the proposed program "discriminatory."

Because Congress already has adjourned, the President's memorandum of disapproval has the effect of killing the bill.

"What the proposed legislation seeks to do is to make substantial amounts of additional mortgage funds available by providing for direct government loans at interest rates well below the current market," Eisenhower said in his memorandum.

Jake Kline, former Notre Dame baseball coach, hit three home runs for the Irish in 1916 in a 14-6 victory over Michigan.

aboard the train were two Jesuit priests from Massachusetts, the Rev. Charles J. Eberle of Somerville and the Rev. Harry Mallette of Springfield. They escaped injury, although the car in which they were riding was thrown 30 feet in the air.

The train was derailed by a landslide which caused the tracks to shift and the train to derail.

Public Agencies Forbidden To Hold "Secret Meetings"

HARRISBURG (AP)—Pennsylvania has become a full-fledged member of the growing list of states with laws guaranteeing citizens the right to attend meetings and inspect records of public agencies.

Sunday, Sept. 1, was the effective date of bi-partisan sponsored "public meeting" and "public record" laws approved by the 1957 General Assembly.

On June 21, when Gov. Leader signed the measures, he termed

News Briefs

WILLIAMSPORT, Pa. (AP)—The Eastern Division of the Pennsylvania Moose Assn. will meet next year in Harrisburg. The 1957 20th annual convention selected the site over the weekend after electing John Drucis, Mount Carmel, president to succeed Charles Leinhausen of Darby.

The Leighton Lodge won a contest for ritual degree champions with Mount Carmel placing second. A Labor Day parade ended the three-day session.

HARRISBURG (AP)—In a move designed to "keep the public informed" Auditor Gen. Charles C. Smith intends to post daily reports on state expenditures. He said over the weekend that he will post the report in his office and invited the public to help ferret out "waste and extravagance" in state government.

The daily report will list all major items submitted to the auditor general's department for payment.

GETS NEW POSITION

GRAND FALLS, N.J. (AP)—Don Miller of Emmaus, Pa., has been named to the staff of the Newfoundland Provincial Resources Department.

Miller, a graduate this year of Pennsylvania State University, succeeds Dr. Peter Gregg, who has resigned to pursue biological studies in northern Canada.

Miller will continue studies Gregg had been making of the Newfoundland beaver. New trapping regulations may result from the findings.

Records must be available to the public at "reasonable times." However, the Justice Department feels that much of its administration must be left to interpretation.

In addition, official orders and decisions of the agencies are required to be made a matter of public record when they fix some personal or property right or duty of a person. The governor noted this provision "is laudable since it will insure against the possibility of official action being kept secret."

Braves Stretch Lead In NL With Double Win But Yankees Lose Pair To Baltimore Birds

By ED WILKS
The Associated Press

Labor Day spelled the end of hard labor for the Milwaukee Braves in their run for the National League pennant. But it revived a suspicion that the New York Yankees will have to work overtime for the American League flag.

The Braves just about nailed their first title since 1948 (when they were a Boston bunch) with a rollicking 23-10 and 4-0 sweep of the Chicago Cubs That produced an 8½-game lead again as Cincinnati spilled second-place St. Louis twice, 10-5 and 3-1 in 10 innings.

Third-place Brooklyn skidded nine games back, losing a pair to Philadelphia 10-4 and 7-4.

Yanks Blew Early Lead
The Braves, playing at a 583 pace (10-7) since breaking up the hottest race in NL history with a 10-game winning streak, can loaf at 500 without too much worry through their remaining 24 games.

But the Yankees, who should have wrapped up their third consecutive pennant with a three-game sweep against second-place Chicago last week, now find themselves with only a 4½-game edge after losing a pair at Baltimore. They blew a six-run lead in an 8-7, 11-inning defeat, and then dropped a 6-1 decision as Connie Johnson hit the AL season high with 14 strikeouts.

The White Sox muffed a chance to nick another game from the Yankee lead by losing 5-4 at Detroit after beating the Tigers 8-2 for Billy Pierce's 18th victory, tops in the majors.

Mantle Loses Ground
Yankee Mickey Mantle also lost ground in the twin bill, going 1-for-7 and dropping four points to 373. That cost him the bat lead. Boston's Ted Williams, in bed with a cold and Boston swept Washington 7-1 and 8-7, regained the lead with his static 376.

The New York Giants swept Pittsburgh 11-5 and 4-3 in the other NL twin bill and Cleveland clubbed Kansas City 8-0 and 6-3 in the other AL action.

If the Braves have a worry, it could be Lew Burdette. The big right-hander (14-7) hasn't gone the distance or gained a decision in three tries. He failed to make it even with a 13-3 lead in the opener as Ernie Johnson relieved in the third and mopped up for his seventh victory.

Eight For Covington
Sophomore Bob Trowbridge gave the pitching a boost in the nightcap with a three-hitter.

Wes Covington, matching Hank Aaron's six RBIs in the opener, drove in eight runs for the day, homering along with Ed Mathews in the first game and socking a two-run triple in the nightcap. In all, the Braves had 26 hits in the opener, a season high in the majors.

Frank Torre scored six Milwaukee runs in the first game, tying the major league record.

Big Day For Phils
The Redlegs cracked three home runs in the opener, then took the nightcap on Frank Robinson's two-run homer that broke up a seven-inning shutout duel between Don Gross and Larry Jackson.

Home runs by Ed Bailey and Bob Thurman, who had four RBIs, powered the Reds to five runs in the first game and, chasing rookie whiz Von McDaniel while Hal Jeffcoat went all the way with a 13-hitter. Ken Boyer and Irv Noren homered for the Cards.

Gran Hamner drove in six runs and Ed Bouchee collected five hits for the Phils, who battered five Dodger pitchers for 31 safeties in the twin bill. Duke Snider homered in both games for the Braves.

Bob Grim Loses
Warren Hacker won the opener with his first complete game since 1956. Jim Hearn took the nightcap in relief. Roger Craig and Danny McDevitt were the losers.

Billy Gardner's RBI single won the opener for the Orioles after George Kell, who had seven RBIs for the day, had tied it with a two-run single in the ninth. Bob Grim was the loser with Ken Lehman the winner, both in relief.

Frank Lary won his fifth in a row for the Tigers in the nightcap, backed up by homers from Al Kaline, Harvey Kuenn and Reno Bertoia. Dick Donovan lost it. The Sox scored four in the first in the opener, three in Minnie Minoso's homer, but Pierce needed Gerry Staley's relief in the sixth despite a 7-1 lead.

Garcia Blanks A's
Eighth-inning home runs by Jimmy Piersall and Sammy White hauled the Red Sox from behind in the nightcap with George Susce's ninth-inning relief saving Murray Wall's first victory. Piersall also homered in the opener as Frank Sullivan won his 12th with a six-hitter.

Cal McLish won the nightcap, overcoming a 3-2 Kansas City lead with a three-run homer.

Hank Sauer drove in six runs in the Giants opener, cracking two home runs and breaking a 5-4 tie with a single. Johnny Antonelli did the job himself in the second game, hitting a two-run homer to junk a 3-2 Buc lead.

NORRISTOWN IN "WORLD SERIES"
WILLIAMSPORT, Pa. (AP)—Norristown is the first Pennsylvania city to represent the Central Atlantic Region in the National Softball World Series.

The Norristown entry won the right to take part in the national competition later this month in Clearwater, Fla., by blasting the Baltimore, Md., Martin Bombers, 12-3 yesterday in the regional final. Only two hours earlier the Baltimore team had scored an 11-7, extra-inning triumph over Norristown in the double elimination tourney.

Norristown's Cal Miller pitched no-hit ball for six innings before giving up two singles and a double in the last frame to account for all the Baltimore runs. The Pennsylvanians put their first eight men on base and brought all of them around to score in the first inning to decide the game.

Baltimore's Clyde Farmer, who had pitched 36 innings since Friday night, was bombed from the mound in the first inning barrage.

The Norristown triumph, with a 5-1 log in the four-day affair, broke an eight-year stranglehold on the regional title held by another Baltimore entry, the White Coffee Pots. The White Coffee Pot team was eliminated yesterday by the Baltimore Martin Bombers, 2-1, in nine innings after suffering an earlier defeat at the hands of Norristown.

STEELERS BEAT EAGLES 17-12
Pittsburgh's Steelers finally have a game in the won column in the National Football League standings after turning back the Philadelphia Eagles 17-12 in the only game played Labor Day. For the Eagles it was their fourth setback without a victory.

In making their exhibition record 1-2, the Steelers overcame a 0-10 deficit at the end of the first quarter for a 14-10 halftime lead and then added a fourth period field goal by Gary Glick.

Games over the weekend saw the San Francisco 49ers defeat the Cleveland Browns 21-17 for their third straight victory Sunday. Saturday the Detroit Lions also won their third straight, defeating Washington 31-14 while the Los Angeles Rams walloped the Chicago Cardinals 63-21.

Shrimping Fleet Is Blessed On Monday

FREEPORT, Tex. (AP)—The Freeport shrimping fleet went back to work today.

Some 300 fishing boats were blessed yesterday by the Rev. Thomas J. Prendergast at the annual "Blessing of the Fleet," an ancient custom still observed in several Texas ports.

An estimated 4,000 persons attended the shrimp boil and fish fry and watched the colorfully decorated work craft compete for prizes for the best decorations.

"SAL" REPORTS TO YANKEES

NEW YORK (AP)—The New York Yankees paid \$25,000 and two unidentified minor leaguers to the Brooklyn Dodgers for veteran right-hander Sal (The Barber) Maglie.

Maglie pitched his last game for the Dodgers on Saturday and reported to the American League-leading Yankees yesterday. He'll be able to pitch the rest of the season but won't be eligible for the World Series if the Yankees win the pennant.

Right now, the New Yorkers are 4½ games ahead of the second place Chicago White Sox — and Maglie is expected to provide the necessary mound experience, from the bullpen or as a starter, to keep the Yankees in front.

Reaching into the National League for players near the season's end is an old Yankee custom. In recent years they acquired first basemen Johnny Mize, pitchers Johnny Sain, Ewell Blackwell and Jim Konstanty, and outfielder Enos Slaughter.

NEW YORK (AP)—Itohe (\$10) captured an easy length-and-a-half victory in the \$20,650 Fall High-weight Handicap at Belmont Park.

CHICAGO—Pucker Up (\$12.20) under skillful whip of Willie Shoemaker took the lead at the start and held on to capture a three-length decision in the \$117,400 Washington Park Handicap.

ATLANTIC CITY, N.J.—Verex (\$2.60) won the \$27,825 Boardwalk Handicap at Atlantic City in 1:48.2-5, four-fifths off the track mark.

Eastern League

By THE ASSOCIATED PRESS

For the Schenectady Blue Jays, struggling to keep in the Eastern League pennant race as it nears the finish line, the Labor Day weekend was definitely laborious.

The Jays are now four games behind the front-running Binghamton Triplets. The gap had been widened by a whole game on Saturday to 4½. Binghamton gained a half game yesterday by edging the Senators, 3-2, at Albany, while the Trips split a doubleheader at Allentown.

Bob Frederick was Schenectady's winning hurler with a nine-hitter. The second game of the scheduled double header was rained out and will be played at Schenectady either tomorrow or Thursday.

At Allentown, Lev Spencer pitched the Chiefs to a 3-2 victory in the seven inning opener, while Ed Dick's mound work gave the Triplets the night cap, 7-2.

In another split double bill, at Reading, the Indians took the nightcap from the Springfield Giants, 6-1, after dropping the opener to the Giants, 7-6.

FANCY PUTTER BRINGS \$2,800

WETHERSFIELD, Conn. (AP)—Gardner Dickinson Jr. of Panama City, Fla., credits a fancy putter with winning the Insurance City Open for him.

The former construction engineer shot a 70 yesterday for a 72-hole total of 272, 12 under par. It won the open and \$2,800, bringing his winnings this year to more than \$10,000.

He said the blue, modernistic, wide-faced putter was given to him by a spectator at the end of the Milwaukee Open last week.

He edged out big George Bayer of Los Angeles by two strokes. His second place finish was worth \$1,900 to Bayer. Jack Burke, Klamath Lake, N.Y., was third with 275. He earned \$1,400.

Bayer shot a 67, four under par, for one of yesterday's best scores. Bunched behind Burke with 276 were Billy Maxwell, Odessa, Tex., Doug Ford of Mahopac, N.Y., and Dow Finsterwald, of Jupiter, Fla. They each received \$1,100.

WINS 500-MILE TRENTON RACE

TRENTON, N.J. (AP)—Mike Klapp swept past a field of favored drivers who fell by the way to win the 500-mile late model stock car race at the Trenton International Speedway yesterday.

Klapp hung around ninth place in the early laps that saw heat and mechanical failure take the toll of favorites Sam Hanks, winner of the Indianapolis 500 this year, Johnny Mantz and Ralph Moody.

It was the first victory in 12 starts for Klapp, 44. He made four pit stops for fuel and tires and posted an average speed of 81.7 m.p.h. He is from Warren, Ohio.

He took the lead 60 miles and never gave it up for the top money of more than \$4,000. He drove a '57 Ford.

Hanks was denied when his '57 Mercury blew a piston after 270 miles. He had held the lead for nearly 80 miles up to that time.

A lap behind Klapp was Jerry Unser, of Colorado Springs, Colo., also in a '57 Ford. Bob James of Akron, Ohio, and Russ Hepler, of Clarion, Pa., were third in a '55 Chevrolet convertible.

BEAUTIES WILL PARADE TONIGHT

ATLANTIC CITY, N.J. (AP)—A group of 81 beauties competing for the title of Miss America 1958 make their first official public appearance tonight in a parade down this resort community's famed boardwalk.

The girls begin actual competition tomorrow night in three categories—swim suit, evening gown and talent. Personality tests will also be given through interviews with judges.

The pageant ends Saturday night, when the judges select a successor to Marian Ann McKnight of Manning, S.C., last year's title holder.

The girls—representing 45 states, Puerto Rico, Canada, Hawaii, Chicago, Washington, D.C. and New York City—are seeking a jackpot of prizes including \$30,000 in scholarships. The only states not represented are Wyoming, Montana and Washington.

While the rest of the nation enjoyed the Labor Day holiday yesterday, the girls got down to business, signing the pageant register and receiving a kit of badges, ribbons and rules.

Col. Shoemaker Is In "Poor" Condition

LOCK HAVEN, Pa. (AP)—Col. Henry W. Shoemaker, former U.S. minister to Bulgaria and noted Pennsylvania historian, author and newspaper publisher, remained in "poor" condition at Lock Haven Hospital early today.

He was hospitalized early Saturday with a "severe" heart attack suffered at his nearby home in McElhattan.

The hospital reported that he made "slight improvement" yesterday over his "critical" condition of Sunday. Shoemaker, 75, has served the State Historical and Museum Commission in various capacities for many years, heading it for several years and then as state archivist and director of its folk lore division.

Band Concert Prior To GHS Grid Open House

A half-hour concert by the Gettysburg High School band will precede the "open house" on the football field Wednesday evening. It was announced today.

The band, under the direction of Robert Zeigler, will present its concert at 7:30 o'clock followed by the open house program at 8 o'clock.

Ben Jones and his coaching staff are hopeful a large number of local fans, students, and parents will be present. The coaches will speak on various phases of football, a half-hour scrimmage will be staged by the squad and fans will be permitted to mingle with the players following the workout. The whole program has been arranged by Coach Jones to give the public an opportunity to acquaint themselves with the Warriors and their programs.

High school cheer leaders will serve as ushers. There is no admission.

In the event of inclement the program will be presented in the school gymnasium.

Westminster High will come here Friday, September 13, for the first game.

Governor Quinn Is Given Oath In Hawaii

HONOLULU (AP)—William F. Quinn, Hawaii's 12th governor, has taken office, expressing the hope he will be the last appointed territorial governor and affirming statehood would be one of his major objectives.

The 38-year-old Republican was sworn into office yesterday before Secretary of the Interior Fred A. Seaton.

Not "Low Down"; He Didn't Rob Churches

ORANGEBURG, S.C. (AP)—Police say Thomas Counts, 48, has admitted burglarizing 22 firms in the past two years, but studiously denies robbing any churches.

Police Chief Harold Hall said Counts, spotted while trying to enter a doctor's office, was charged with burglary and breaking and entering.

"Only a low-down man would break into a church," said Counts.

Dairy Farmer Ups Winnings To \$104,000

NEW YORK (AP)—Dairy farmer Harold Craig, of Ganville, N.Y., has upped his TV quiz show winnings to \$104,000.

The 26-year-old Craig reached that figure last night on the NBC show Twenty-one.

Craig defeated John Baird, 35, Los Angeles industrial consultant, in their fourth game, 21-11, at \$2,000 a point. They had tied in three previous games.

SERIES TIED; OFFICIALS TO MEET TONIGHT

The Fairfield Amvets slammed out a 15-4 victory over Orttanna on the winners' diamond Monday afternoon to even the series for the championship of the Fairfield Lions League at one game each.

Richard Straup, league director, has announced a meeting of league managers and directors will be held this evening at 8 o'clock at Fairfield High School to decide whether a third game should be played or if co-champions will be recognized.

Orttanna took the first game of the series 4-2. The teams battled to a 2-2 tie August 22 and on August 27 the game was ruled out when darkness intervened.

The Amvets won the first half title while Fairfield copied the second half championship.

Jim Herring and Harry Kepner formed the winning battery of Monday's game. Gene Runk, Wendell Wetzel and Jim Neely divided the pitching for Orttanna while Wetzel and Martz shared the catching.

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — The most significant thing about the Congress just ended was that Democrats and Republicans finally stopped playing phony with Negroes and passed a civil rights bill, the first in 82 years.

Until now, promises by the parties on civil rights were political bunk. What they did this year they could have done any time in those 82 years by teaming up to crush the opposition of Southern Democrats.

Cites Example

Here's an example of how they did the opposite:

In 1949, last time the Democrats made a stab at a civil rights bill, they could have kept the Senate in continuous session to try to smash the Southern filibuster which finally killed the bill. But they didn't.

And Republicans, playing footsie with the Southerners, helped them put through a Senate rule change which made breaking a filibuster harder than it had ever been.

Reasons for this year's action included the political reality of the importance of the Northern Negro vote and, no doubt, psychological impacts which reflected changing times.

They Went Along

Democrats had had the Negro vote in their pocket since the days of Franklin D. Roosevelt, better treatment for themselves and Southern Negroes, began shifting towards the Republicans.

Rescue After Train Wreck

Relatives and rescue workers swarm around three of the coaches torn apart in the railroad wreck late Sunday at Kendall, 60 miles west of Kingston, Jamaica. More than 160 were killed and hundreds injured. Most of the victims were in two run-away coaches which plunged down 100-foot-embankment. There was no immediate explanation of the uncoupling of the lead locomotive, which apparently put the train out of control. (AP Wirephoto)

FIGHT LABOR LAW CHANGES

WASHINGTON (AP) — Two AFL-CIO leaders, renewing pledges to clear their unions of corruption, say they will fight any effort to punish the entire labor movement through restrictive new laws.

That determination was expressed in broadcast Labor Day speeches yesterday by AFL-CIO President George Meany and by Al Hayes, president of the Machinists Union and chairman of the AFL-CIO's Ethical Practices Committee.

And in a radio interview, Rep. McCormack (D-Mass.), his party's House floor leader, said he favors legislation to protect welfare trust funds "but I will not favor legislation that will be punitive in nature and repressive against labor."

All referred to testimony before a special Senate committee investigating improper labor management practices. That group has charged several union officials with diverting union funds to their own uses and with other malpractices.

Meany promised full AFL-CIO cooperation in exposure of any corruption.

Tony, Earl Reid; Class 25, consolation walking horse, 1, Brownie, Marge Good.

Ribbon girls for the show were Nancy Copenhaver, Gloria Copenhaver and Susan Martin. There was a trick horse exhibition by Robert Schultz, Frederick, Md. Raymond Bittle, dressed as a clown, with a cart and two donkeys, provided amusement for the children throughout the afternoon. There were also pony rides for the children. Refreshments were also served.

LONDON TALKS ARE EXPECTED TO CLOSE SOON

LONDON (AP) — The stalemated London disarmament talks moved today into what generally was expected to be their final week.

Highly placed Western observers predicted the negotiations would be broken off in the next few days and debate shifted to the full 12-nation U.N. Disarmament Commission in New York.

The five-power Disarmament subcommittee, which resumed its London sessions March 18, has mired down in an East-West split over the banning of nuclear weapons tests, a halt in production of such weapons and inspections to enforce any agreement.

Letter From Macmillan
The impasse was pointed up in a letter, made public today, from Prime Minister Macmillan to Soviet Premier Bulganin urging some real progress in the disarmament talks.

Macmillan went over the head of Valerian Zorin, Soviet delegate to the subcommittee, to call for favorable consideration of Western proposals. He said the West was not encouraged by Zorin's recent rejection of the plan put forward by the United States, Canada, France and Britain, the Western nations on the subcommittee.

The Western plan called for reduction of conventional armaments and curtailment of nuclear weapon production, including a two-year halt in tests of such arms, and territorial inspection by land and air of atomic nations.

Progress Possible
Zorin's rejection last week contended the plan contained nothing of genuine value and declared the Russians consider the five-month-old parley deadlocked.

Macmillan told Bulganin the Western proposals were "an important contribution, both practical and imaginative, toward agreement between us."

"I earnestly trust that they will have your favorable consideration," the Prime Minister said. "You have but to say the word and real progress is assured."

GOP LIBERALS LAUNCH DRIVE ON LEADERSHIP

By JACK BELL
WASHINGTON (AP) — Self-styled Republican liberals have begun a long-range campaign to place one of their members in the line of succession to the Senate's GOP leadership.

As a part of this campaign, the all-out Eisenhower group may avoid any fight over the top leadership post when Sen. Knowland of California steps down from that job at the end of his term next year.

Instead, they are seeking to name one of their number as assistant leader, with the eventual hope of moving him into the top post and the more immediate aim of strengthening their voice in party politics.

Other Possibilities
Knowland's announcement he would not run again for the Senate apparently has put Sen. Dirksen of Illinois, now assistant leader, in line for top command in 1959.

Dirksen, once a strong supporter of the late Sen. Robert A. Taft of Ohio, more recently has taken pains to do yeoman service for President Eisenhower whenever he can.

Dirksen, of course, probably would have to step aside if either Sen. Saltonstall (R-Mass.) of Sen. Bridges (R-NH) wanted to take over from Knowland. Saltonstall heads the Conference of All GOP Senators. Bridges is chairman of the party's policy committee.

Wide Influence
Neither Bridges nor Saltonstall has indicated much interest in taking on the daily grind of the floor leadership. In their present positions, they sit in on all White House conferences and are in a position to wield influence among their colleagues.

If Dirksen replaces Knowland, the GOP liberals hope they then can put one of their number in the assistant leadership.

Plans is bringing such care within the reach of additional numbers who otherwise might not be able to afford it.

26 Pennsylvanians Killed In Holiday Weekend Mishaps

By THE ASSOCIATED PRESS
Labor Day weekend, generally days of pleasure for millions of Pennsylvanians, brought death to 26 persons in Keystone State accidents.

Of the total, 21 died in traffic accidents — one more than Labor Day weekend, 1956.

Three other persons drowned, one man died in a fire and an 80-year-old farmer was dragged to his death under a harrow when a team of horses bolted.

The holiday death count began at 6 p.m. Friday and ended at midnight Monday.

Though the traffic toll exceeded last Labor Day's total, it was under last weekend when 26 persons died on Pennsylvania highways.

3 Multiple Accidents
There were three multiple accidents.

Three teen-aged boys were killed Sunday in a flaming crash on Route 422, nine miles south of Ephrata, in the worst tragedy of the holiday weekend. The dead were Joseph A. Benosky, 19, Twin Rocks; Gary Kennedy, 18, Ephrata; and Gilbert A. Baldwin, 19, Belsano. Their car rammed into a concrete abutment and burst into flames.

And Monday night, just hours before the midnight deadline, a car careened out of control across a three-lane highway outside Chambersburg and smashed into another auto hauling a house trailer. Killed were Mrs. Elizabeth Ballard Hunt, 45, Sunbury, driving the car pulling the trailer and Donald H. Brandt, 24, Shippensburg, at the wheel of the other auto. Mrs. Hunt's husband, D. Ellsworth, was hurt seriously.

Storms In West
The eastern and central portions of the state enjoyed generally fair weather but thundershowers in the west created an additional driving hazard.

Rain was blamed partially for the accident involving three cars on Route 14 near Canton, Bradford County, late Monday in this smashup. Wilbur J. Stevenson, of R. 1, Jersey Shore, was killed and five others injured seriously. Richard Hughes, 15, was driving a tractor Monday on Canton Township road, 5 miles north of Washington, when he lost control. It plunged down a 15-foot embankment, killing the youth.

There were no fatalities in Philadelphia, and the Pennsylvania Turnpike also was free of fatal accidents during the holiday period.

Other Traffic Fatalities
These were other traffic fatalities:

Bruce Mastoller, 36, of Somerset, whose car crashed into a tractor trailer near Windber Saturday. The same accident cost the life of Harry Pritts, 64, of Somerset R. 1, 12 hours later.

A Saturday night accident killed Wanda Sam, of Garrett, on a road near Rockwood.

Thomas Fleming, 10, Snowden Township, was killed by a car when he ran between cars at the Allegheny County Fair.

Kathleen Hernon, 18, of Jackson Center, killed Monday in a Venango County crash.

Melvin Kreiser, 34, of Annville, was killed at an auto track near Myerstown Sunday.

Eugene Robinson, 53, of Baltimore, was killed early Monday when his automobile hit a Pennsylvania Railroad abutment two miles north of Feasterville, in Bucks County.

Three Drown
Those who drowned:

Harold Leslie Parson, 18, of Greencastle R. 2.

James P. Lipsack, 13, of Eddington.

Bernard A. Ratynski, 45, Reading.

James Anderson, 38, a watchman at an inn in a Pittsburgh suburb, lost his life in a fire early Monday.

Henry Rung, 80, of Meadville, was killed Saturday on his farm. State police said he evidently was working on a harrow when a team of horses bolted. Rung was caught under the harrow and dragged 450 feet.

Lipsack, a drowning victim, was the only fatality recorded Friday night. Five others died before dawn Saturday in auto crashes. They were John T. Welkert, 26, Waynesboro; Frank B. Slocum, 34, Ormsby, McKean County; Wayne E. Matroni, 34, Lancaster; James K. Artz, 20, Pine Grove Mills, and Mostoller.

HEAVY TOLL IN
(Continued From Page 1)

dents in July, four persons were killed in auto accidents during August, an two were killed during the same month a year ago.

One Of Largest
August's total of death and destruction on the county's highways was one of the largest in history.

There were 45 persons hurt in the August accidents and property damage totaled \$36,585. That compares to nine hurt in and \$13,695 damage in the accidents during the same month a year ago and 22 hurt and damage totaling \$17,630 during July of this year.

Made 162 Arrests
During last month the state policemen from the Gettysburg substation made 162 arrests for violation of traffic laws. The number compares with 149 arrests during July, 117 each during June and July.

The officers also conducted 17 criminal investigations during the month and made eight arrests on criminal charges. One vehicle was recovered, valued at \$1,200.

The officers during the month traveled 27,160 miles as drivers and 5,110 miles as passengers during 430 patrols. They spent 295 hours on criminal investigations, 1,533 hours on traffic work and 290 hours on special assignments during the month.

to two questions, Bankert continued. Seven out of every 10 persons answering said they are members of Blue Cross or a similar plan for the prepayment of hospital bills. Furthermore, nearly one person in five expected that they or some member of their families would need hospital care in the next 12 months.

Many Need Hospital Care
"Actually," Bankert observed, "national statistics show that one person in every eight needs some sort of hospital care each year, and the growth of hospital prepayment plans is bringing such care within the reach of additional numbers who otherwise might not be able to afford it."

Commenting on the final results of the survey, the president said, "We were deeply impressed and pleased with both the unusually large participation in the poll — 17 per cent of the questionnaires mailed — and the high degree of helpful, constructive thought that went into the replies and the comments."

"There was, naturally, some criticism of existing conditions at the hospital — much of which was justified. However, the prevailing view was highly favorable and displayed a truly remarkable understanding of our problems and shortcomings and the steps we are taking to overcome them."

FOUR KILLED IN PRE-DAWN PLANE CRASH

BERLIN, N.J. (AP)—A pre-dawn Labor Day plane crash in which four men were killed here was under a three-way investigation today.

Camden County and state police were joined by Civil Aeronautics Authority investigators in seeking the cause of the crash yesterday in a fog-shrouded field.

Killed were the pilot, Richard J. Smith, 35, of Ashland, Delaware Township, N.J.; Robert Rita, 19, Philadelphia; Michael J. Guinan, 24, Deer Park, Delaware Township, and George A. Queener of Clementon, N.J.

A friend of the dead men said the decision to take off in the dark

was a spur-of-the-moment thing.

Wanted To See Parade
Peter Giogianni, 28, of Deer Park, said they had decided to fly down to Atlantic City in order to see the beauty parade which today starts off the week-long Miss America Pageant there.

Giogianni said he and Jack Randa, also of Deer Park, had declined to accompany the other four, with whom they had spent the earlier part of the night.

The plane flew over a house where firemen were attempting to put out a fire. Then the firemen heard it crash and saw flames flare up from the field.

Stops On Tracks
Authorities said Smith, who was an experienced pilot, might have been trying to make an emergency landing on the field. It was be-

USSR AND NATO WILL MANEUVER SHIPS IN ARCTIC

LONDON (AP)—Naval forces of both the Soviet Union and NATO are scheduled to carry out maneuvers in arctic waters off Europe this month, but they apparently will be operating about 1,000 miles apart.

Moscow radio announced the Soviet war games today in a warning to foreign ships and planes to steer clear of "hazardous" operations in the area. A Defense Ministry statement said the Soviets would take no responsibility for damage incurred in the danger zone.

The Russian operations will be held from Sept. 10 to Oct. 15 in an area directly north of the Ural Mountains, centering on the Soviet Novaya Zemlyn (New Land) Islands. The islands form an archipelago of 35,000 square miles between the Barents and Kara seas. The closest part of Scandinavia is arctic Norway, about 300 miles to the southwest.

The broadcast said air and naval maneuvers will be held with different types of modern weapons and warned all ships and planes it will be dangerous to enter the waters or the air space of the area.

North Atlantic Alliance officials have not planned down the NATO maneuver area, except to say it will be north of the North Sea. The NATO exercises will be held Sept. 19-28.

About 85 American ships are sailing from Norfolk, Va., today for the maneuvers. Some 300 warships of six NATO nations will take part.

NATO also has scheduled smaller exercises in the Atlantic during the next six weeks and operations in the Mediterranean Sept. 24-28.

HEADS INFANTRY ASSN.

ROANOKE, Va. (AP)—P. I. Foote of State College, Pa., is the new president of the 35th Infantry Assn. of World War II. He was elected during the Labor Day weekend convention of the association to succeed Andrew J. Stanke of Pittsburgh.

HARRISBURG (AP)—Montgomery County voters will choose a successor to U.S. Rep. Samuel K. McConnell Jr. (R-Pa.) in a special election Nov. 5. McConnell resigned Sunday. Gov. Leader issued the special election notice Saturday.

Heved he was familiar with it.

The plane slid along the ground about 500 feet, ripped down a number of small trees and plowed up the ground, shedding parts over a wide area. The fuselage came to rest on the Pennsylvania-Reading Seashore Lines tracks.

Smith was the son of Charles Smith Sr., president of Charm Homes, Inc., a building concern in Blackwood, N.J.

HELD IN MURDER OF SWEETHEART

SUNBURY, Pa. (AP)—A 58-year-old man is being held without bail in Northumberland County jail here on a charge of murdering the nurse who was his sweetheart for 10 years.

Bruce R. Fortner entered a plea of insanity yesterday at his arraignment for the shooting Saturday of Mrs. Fern Baker Buchan, 42, in the home of a friend with whom she stayed.

Police said Fortner sneaked back into the house after Mrs. Buchan's son-in-law had ejected him for making threats. Four persons witnessed the shooting, including Mrs. Buchan's daughter, Mrs. Ralph Savage of nearby Plum Creek.

The victim, a practical nurse at the Cumberland County Institutional home in Carlisle, had visited here frequently during her visits she stayed at the S. 10th street home of Mrs. Lucy Shaffer.

Police said the couple had quarreled because Fortner felt Mrs. Buchan had been avoiding him recently. He visited the Shaffer home and made threats, police said, to Mrs. Buchan.

Dies Of Injuries Suffered In Fall

MACON, Ga. (AP)—An airman from Lebanon, Pa., who was injured in a fall at Robins Air Force Base Saturday died yesterday in Macon Hospital.

He was A/C Craig Reed, 19, a member of the 1889th Airways and Air Communications Service Squadron. Reed fell from a fire tower near Cochran, apparently while on a sightseeing tour with another airman and two girls. The base public information officer said Reed evidently slipped or lost his hold on the fire tower as he was climbing. He suffered a broken neck.

Pennsylvania Has New Chess Champ

PITTSBURGH (AP)—Robert Bornholz of Pittsburgh is the new Pennsylvania chess champion. He won yesterday by completing the three-day tournament with a score of 6-1. Thomas Gutekunst of Allentown finished second and Stanley Smith of Pittsburgh was third. Each had scores of 5½-1½, but tournament officials said a special tie-breaking system that gave Gutekunst second place.
